OPEN AIR MEDIA FESTIVAL

JUNE 3, 2023

Welcome to the 4th annual Open Air Media Festival (OAMF), a showcase of time-based projects, video projection works, and performances by local and regional artists.

The inaugural OAMF was created in the summer 2020 to provide exhibition opportunities for media artists and art viewing experiences for the public in outdoor locations. The 2023 festival is curated by Zen Cohen (director/founder) and Dana Potter (assistant program director/graphic design lead) and is made possible with the generous support of PS1 staff and volunteers.

A live radio broadcast of performances and artist interviews will be aired on KRUI.FM/89.7 during the festival. Open Air is free and open to the public thanks to generous support from the City of Iowa City Public Art Matching Grant Program, the Iowa Arts Council, a division of the Iowa Department of Cultural Affairs, and Veridian Credit Union.

Thank you for attending and participating in OAMF 23! Please fill out this anonymous survey to help us plan for future festivals. Additional feedback and inquiries can be sent directly to festival organizers at openairmediafest@gmail.com
